Ready Money Inam Registers.

In 1881 a limited number of copies of the Final Ready Money Inam Registers was printed by the Inam Superintendent and supplied to the Deputy Commissioners for information and reference.

2. But since 1881 the entries in these Registers have undergone several alterations for the reasons noted below:—

(1) Several Devadaya grants which were resumed during the Inam Settlement owing to the disrepair of the Temple buildings have since been restored, the institutions having been subsequently put in order

(2) The Settlement of the personal money grants which had been confirmed for life only as per orders conveyed in the late Chief Commissioner's Pro No 6423-4 dated 27th P 707 February 1880,

February 1880 was directed to be revised on the lines laid down in a later Proceedings issued in July 1888, and accordingly many life grants have been converted into here-ditary ones.

(3) Several grants have been transferred from one Taluk to another. These transfers were made in some cases on account of the re-constitution of the Taluks and their boundaries and in others to serve the convenience of the Institutions to enable them to draw money from the Taluk Treasuries of the same Taluks in which those institutions are situated.

(4) Similarly the allowances of some of the Chattrams have been transferred either wholly or partially

to

to others for various reasons

(5) Of Personal grants confirmed for life only, most have lapsed by the death of the recipients.

3. For the above reasons the Printed Registers issued in 881 do not serve as complete records of references. Revised Registers of Ready Money — Inams corrected up to date have therefore been prepared in manuscript for all the distbicts and permission is requested to print them.

No. 168 / Inwx 74-95 dated 24-7-96

Con 4

To

The Dy Commissioner

Kadur Dt

Sir,

The Govt having resolved to print, in Canarese, Registers of Inuzrai Ready Money allowances payable in the several Talukas for distribution to the Amildars and Taluk Officials, for reference, similar to the English Registers issued to the Dy Commissioners under Govt Proc: No. 151-61 / Inwx F 4-95 dated 31st July 1895 a circular order was issued from this Office to all the Amildars forwarding to them the respective Talukwar

sheets of the revised
English Register and direct-
ing them to check the
same with reference
to the Taluk records
and prepare and submit
to this office direct, Canarese
statements of Inamdar
allowances payable
from their respective
Talukes in the printed
forms specially sup-
plied to them for the
purpose from this office.
2. In pursuance of
the above circular
order, the Amildar
of Tarikere, first
submitted a statement

(marked A in the enclosed file) in which most of the Institutions entered in the English Register had been omitted, and, instead, had been entered other Institutions, which the Amildar reported, were receiving cash allowances from the Taluk though the Title-Deeds in support of the grants were not forthcoming On this, the bills of Inamdar payments made in the Taluk of Jaitkere for the months of November and December 1895, were obtained from the Comptroller's Office here and finding that none of the

Institutions and Sti-
pendiaries entered in
the Amildar's Canarese
Statement had been
noted in those bills,
a further reference
was made to the Amildar
forwarding to him the
aforesaid bills in originals
and calling upon him
to explain the discre-
pancies between the Canarese
statement submitted
by him to this office
and the bills of pay-
ments which he him-
self had forwarded to the
Comptroller and also
to report on what
authority the payments

& the Institutions and
Stipendiaries noted in
the former were being
made even in the ab-
sence of regular Title-
Deeds in support thereof.
In reply, the Amildar
next submitted a 2nd
Statement (marked B)
in which were entered
some more Institutions
which had not been
noted in his 1st State-
ment, with an Explanation
that the omission was
due to an oversight.
But, I am not satisfied
that even the ~~[illegible]~~
2nd Statement forwarded
by the Amildar is
quite correct & reliable especially

seeing that certain
payments noted therein
are not supported
by proper authorities.

3 Under the above
circumstances I am
to request that you
will be so good as
to call upon the Amil-
dar to furnish an
accurate list of the
Inamdar Ready Money
allowances now pay-
able in his Taluk,
with an explanation
for his carelessness
in having submitted
incorrect State ments
to this Office It is

also requested that before the new list is submitted to this Office, it may receive sufficient scrutiny in your office and be revised up to the 30th June 1896. The Canarese Statements of all the other Taluks have been already received and are being compiled for the Press.

4. The two Canarese statements (marked A and B) submitted by the Amildar to this Office and the two Bills of Muzrai payments in Tarikere Taluk

to the obligingly returned

obtained from the
Comptroller's office
are herewith forwarded
for reference.

2. In the Statement marked B, of which D is a copy, the Amildar appears to

to have entered those institutions receiving annual amount confirmed in cash in lieu of land Inams paid on bills prepared every year (Copy of bill for 1894-95 encashed in the Treasury is herein enclosed for information). These are now omitted in the revised register which has been duly checked in this office with the Superintendent Register of Ready Money Inams
